General and Revenue Secretariat — File No. 174 of 1929

Serial No.	
11	Letter No 16562 dt 17/1/30 from the Rgt, Mysore University Submitting proposals regarding Staff, Establishment etc required for the medical Colleges and medical School after bifurcation.
12	Letter No 17221 dt 21/1/30 from the same officer stating that a notification may be caused to be issued in connection with the proposals re Staff and Estab. of the Medl Colleges. (1) The points on which orders are required are:— (1) The Scale of Staff and Estab. including new posts and conversion of pay and personnel respecting Staff as detailed in the Statement flagged Z (2) the appt of Dr C Srikantiah as Prof of Organic Chemistry and Bio-chemistry on a starting pay of Rs 400 (400 in grade) 30-700 temporarily for two years from 17.30 and his transfer to the Medl Colleges (3) the payment of allces, pay etc to the members Concerned (4) the necessary transfer of the Officers to the Medl depts to Mysore (5) the requisite transfer of the Inspl Staff and Estab. and other arrangemen

Note—Contn. Sheet

being ordered by the Univ)

(2) From the Statement flag Z showing the existing ~~provision~~ and proposed provisions for the Med. Colleg and School, it will be seen that as against the existing provision of Rs 43838 on account of both the institutions, the amounts proposed are Rs 44215 and 18067 for the College and School respectively involving an increase of Rs 18444 per annum in respect of Staff only. This does not include the provision required on account of Lab. and other expenditure and allce. to be given to the Principal of the Colleg at Rupore

(3) The new posts required in this Connection are detailed on pags 2 and 3 of the letter of 17.1.30 The principls on which the proposals are made are stated in paras 5, 6 and 7 of the same letter.

(4) This opportunity may perhaps be taken of revising the Scale of allowances that are paid to the officers doing duty in the medical institutions and of reducing the extra cost as far as possible. For instance, the allowance now paid to Profrs for teaching Science subjects is Rs 75 p.m. after the transfer of the Colleg to Rupore, this work is proposed to be entrusted to Assts

NOTE—Contn. sheet

6077

Serial No.

Professors of the Govt College who are in grade 200-20-300 and so the Scale of allce may perhaps be revised and fixed at Rs 30 p.m Similarly in the case of med. officers taking up medical subjects in the College and School, the Scale of allowance may perhaps be reduced to Rs 75 and 50 p.m as against Rs 100 and Rs 75 proposed by the Govt

(5) The Scale of pay proposed for the Clerical Establishment and Subordinate of the College Seem to be capable of being modified as suggested at para 5 of the note in Govt file 228-29 flag V.

(6) The Fund Secy may also be consulted

(7) Submitted for orders with reference.

25/1/30

(8) As regards the improvement of the lot of the staff mentioned in para 7 of the Govt's letter, a separate reply had been sent in the matter previously & a reply has been sent. That the question may be over the recent year (flag V).

(9) With regard to the other proposals, it seems necessary to sanction them, modifying perhaps, the rates of allowances suggested in some cases

Edn 1/2/30

5077/6192

App. F. III—2]

General and Revenue Secretariat — File No. 174 of 1929

Serial No.

(13) A Statement furnishing the information required by the General Sec't on the lines indicated by him is put up and flagged D. There is only one combined Staff for teaching in the Med'l. College and School together and hence the Staff for the two institutions cannot be shown separately. In the Statement the allowance for the Principalship of the Med'l College has not been included and exclusive of this, the extra cost on account of the staff proposed now for the two institutions comes to Rs 184444 per annum as shown in the last column. As already noted this may be considerably reduced by revising the scale of allowance that is now being paid.

BG 4/2/30

VS

Gen. Sec.)

Ch 4.2.30

(14) The proposals contained in this file refer to the changes in the staff and establishment of the Medical College and the Medical School after the former is shifted to Mysore. The proposals of the University involve an additional expenditure of about Rs. 18,500/- as a result of the shifting. I find, however, that some of the proposals are capable of certain reductions. Without going to details, the reductions possible are:-

(i) Fixing ~~of~~ the allowances of Assistant --

Note—Contd. Sheet

WD 066—GPB—30,000—26-7-29

General and Revenue Secretariat. Genl · File No. 174 of 1929.

Serial No.

Professors at Rs 50/- per mensem instead of Rs.75/-.

(ii) Fixing the pay of Dr. Srikantiah at Rs.350 instead of Rs.400-30-700 as proposed by the University;

(iii) Reduction of the allowances of part-time professors from Rs.100 in the College to Rs.75;

(iv) Making certain minor alterations in the proposals made by the University regarding the establishment for the College and the Medical School.

* Fl.H.

(15) I separately attach a statement* showing the result of these reductions.

(16) This brings down the additional cost to about Rs.12,400/- as against Rs.18,500/- proposed by the University.

(17) I am afraid that no further reductions are possible. The additional increase on this account will have to be given as a grant in excess of the 10½ lakhs at which figure the University Budget has been fixed.

R 2740
D 14-2-30

2954/17

3rd Member Thro Fin' Secy. 14/2/30

R9 12/2/30

(18) I do not think it is possible to give more than Rs 10½ lakh + 1 lakh for Medical college, to the University in the next year's budget. Against the above provision of Rs one lakh, the saving made in the 1st instance, there will be corresponding reduction in the civil works grant &

University of Mysore.

No. 16562
Enc. 7.

Office of the Mysore University

Dated, Mysore 17th January 1930.

FROM

B. M. SRIKANTIA, ESQ., M.A., B.L.,
Registrar, Mysore University.

8 JAN 1930
Mysore.
DEVELOPMENT BRANCH

To

R. Ranga Rao, Esq., B.A., B.L.,
General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore.

SIR,

(1) In continuation of this office letter No.9156, dated the 11th November 1929, addressed to the Chief Secretary to Government, regarding funds required for the Medical College building etc., this year, and arrangements necessary in connection with the transfer of the College to Mysore from 1st July 1930, I am directed to state that the proposals regarding staff establishment etc., required for the Medical College and the Medical School (vide last para of this office letter referred to above), were considered by the University Council at its meeting held on the 14th December 1929 and it was resolved as follows:-

(1) that the Principal's proposal in respect of the scale of staff and establishment and personnel for the College and the School be approved, with the modifications proposed by the Senior Surgeon re. personnel;

(2) that teaching in Organic Chemistry and Bio-Chemistry be combined and that Dr.C.Srikantia be appointed to teach these subjects temporarily, for two years, on a pay of Rs 400 in the grade 400-30-700, proposed for the post of Professor of Organic & Bio-Chemistry; and that, in the meanwhile, a medical graduate be deputed for training in those subjects at Government expense.

2) I am to enclose herewith a copy of the Council resolution with copies of the marginally noted letters and statements and to state as follows:-

1.Extract from letter No.229 of 5-11-29, from the Principal, Medical College, with copies of the following mentioned therein:-	As according to Government Order No.D.5469-74/Edn.338-26-10, dated the 27th November 1928, the Medical School will remain at
(a) Proposed list of staff for the College at Mysore and the School at Bangalore after bifurcation;	

(b) Estimate of the budget (of establishment only) after bifurcation.

(c) Copy of his letter to the Senior Surgeon.

2. Letter No.C.1097-1, dated 9-11-29, from the Senior Surgeon with the Government of Mysore.

Bangalore, as a separate institutiom, after the transfer of the College to Mysore, it is necessary to provide separate staff and establishment

the College and the School, from 1st July 1930.

3) The details of the scale of staff and establishment required for each are furnished in the estimate of the budget after bifurcation (item 1(b) in the margin above). The proposed scale provides in addition to the existing posts sanctioned for the College as at present, the following new posts:-

A. For the Medical College at Mysore:

New Posts.

Teaching Staff.

1. One full time Professor of Organic and Bio-Chemistry in grade Rs 400-30-700 (in lieu of the existing part-time Professors - One on an allowance of Rs 75 per mensem for 9 months in the year for Organic Chemistry and another on allowance of Rs 100 per mensem for 9 months in the year for Bio-Chemistry).

2. One full time Demonstrator in Organic Chemistry and Bio-Chemistry on Rs 75 per mensem for 12 months in the year.

Laboratory Establishment.

3. One additional Laboratory attendant on Rs 25 per mensem for Experimental Physiology and Histology.

4. Two additional Laboratory peons on Rs 15 per mensem each.

5. One additional attendant for the Pathological and Pharmacological Laboratories on Rs 25 per mensem.

Office Establishment.

One third clerk and Librarian in grade Rs 25-2½-50.

The allowance to the Principal has been left out in the proposed scale for the College.

B. For the Medical School at Bangalore.

New Posts.

Teaching Staff.

6. Allowance to the Principal .. Rs 75 per mensem.

7. One Part-time Lecturer in Anatomy on Rs 75 per mensem.

8. One Part-time Lecturer in Physiology on Rs 75 per mensem.

9. Two Part-time Demonstrators in Anatomy on Rs 50 per mensem each, (in lieu of the existing one on Rs 75 per mensem for the College as at present

10. One part-time Demonstrator in Surgery on Rs 50,per mensem.

11. One Part-time Demonstrator in Pathology on Rs 50,per mensem.

12. One Part-time Demonstrator in Medicine on Rs 50,per mensem.

13. One Part-time Lecturer in Pathology for 12 months on Rs 75 per mensem.

14. do do Hygiene for 9 months on Rs 75 " "

15. do do Medicine for 12 months on Rs 75 " "

16. do do Surgery do on Rs 75 " "

17. do do Midwifery do on Rs 75 " "

18. do do Ophtholmology do on Rs 75 " "

19. do do Jurisprudence for 9 months on Rs 75 " "

Laboratory Establishment.

20. One Dissection attendant on Rs 25 per mensem

21. One attendant for the Pathological and Pharmacological Laboratories on Rs 25 per mensem.

22. Two dissection coolies on Rs 15 per mensem each.

Office Establishment.

23. One Head Clerk in grade Rs 50-5-75.

24. One Second Clerk and Typist in grade Rs 25-2½-50.

25. One Artist on Rs 75 per mensem.

26. Four peons - one on Rs 15 per mensem.
one on Rs 12 per mensem.
two on Rs @ 11 per mensem each.

27. One Watchman on Rs 12 per mensem.

28. One Sweeper on Rs 11 per mensem.

The remaining posts in the proposed scale are the same as those that have been sanctioned for the College as at present and provided for in the College budget for the current year.

5 But in regard to the allowance, in cases in which there are part-time Professors and Lecturers,at present, the proposed scale provides for the following rates ~~respecting subjects for the periods noted against each:~~-

I (a) Rs 75 per mensem,-Science subjects in the College:-

1.Inorganic Chemistry }
2.Botany } For 9 months in the
3.Zoology }
4.Physics. }

(b) Rs 50 per mensem -Science subjects in the School:-

5. Biology
6. Physics
7. Chemistry

} For 9 months in the year.

II (c) Rs 100 per mensem for Medical Subjects in the College:-

8. Anatomy - For 12 months in the year.
9. Pharmacology - For 9 months in the year.

Rs 75 per mensem for Medical subjects in the School:-

10. Materia Medica- for 9 months in the year.

(d) Rs 100 per mensem in the College } for Medical subjects taught in the
Rs 75 per mensem in the School } College and the School.

11. Pathology
12. Medicine
13. Surgery
14. Midwifery
15. Ophthalmology.

} For 12 months in the year.

16. Hygiene
17. Jurisprudence.

} For 9 months in the year.

18. Mental Diseases
19. Dental Surgery (clinical course)

} For 3 months in the year.

(e) Rs 100 lumpsum honorarium in the College } For a course of lectures
Rs 50 do do School } in the Medical subjects:-

20. Vaccination
21. Anaesthetics

} Lumpsum for one course

22. Otorhinolaryngology: One course of 15 lectures.

6 In regard to Infectious diseases, the existing provision of Rs 200 for one course of lectures, is proposed to be divided equally between the College and the School.

7 The proposed scale also provides for conversion of the existing pay in a few cases relating to the office establishment for the College as below:-

Post.	Existing.	Proposed.
1. Head Clerk.	35- 3- 80	50- 3- 80
2. Accountant.	40.	50- 5- 75
3. Second Clerk & Typist.	30.	25-2½- 50.
4. Artist.	75	100-10-150.
5. One of the peons.	13	15.

8 The proposed conversion of the pay into grades, in the case of items (2), (3) & (4) above, has been already recommended to Government separately, requisite provision therefor having been sanctioned in the University budget for the current year.

9 The Council are of opinion that the above scale of staff and establishment including the new posts, rate of pay and allowances proposed, and conversion of pay

into graded ones in some cases,is very necessary in view of the bifurcation of the School and the College and they accordingly recommend that they may be definitely sanctioned on a permanent basis from 1st July 1930.

(10) The arrangement proposed re. the personnel of the staff is exactly similar to that obtaining at present. The Assistant Professors of the Intermediate College at Mysore take the Science subjects and the officers of the Medical Department stationed at Mysore have been selected for the Medical subjects as part time Professors and Lecturers in their respective subjects, in the Medical College at Mysore,as far as possible. Only in a few cases, the officers of the Medical Department now in Bangalore will have to be transferred to Mysore.

11) In regard to Organic Chemistry and Bio-Chemistry,there is a separate part-time Professor for each at present,the Professor in the former getting an allowance of Rs 75 per mensem for 9 months in the year and the Professor in the latter subject getting an allowance of Rs 100 per mensem for nine months in the year. The University Council consider it desirable to combine the two subjects for teaching and have a full time Professor therefor in the grade of Rs 400-30-700. They also consider it very necessary to send a Medical Graduate for necessary training in the above subjects, the cost on this account being borne by Government. They further recommended that till the services of a Medical Graduate trained as above become available for appointment to the Professor's post, Dr.C.Srikantia,Assistant Professor of the Central College,who has recently returned from foreign training,be appointed temporarily for two years on a pay of Rs 400 per mensem in the grade Rs 400-30-700, as Professor of Organic and Bio-Chemistry,and transferred to the Medical College,Mysore,from 1st July 1930.

12) A statement showing the scale of staff and establishment and personnel of the staff for the College and the School on the basis of the Council resolution is enclosed for information.

13) The officers to be appointed have not yet been decided in a few cases. Government will be separately addressed regarding these in due course.

14) The new posts on the office establishment for the medical school will be filled up according to rules on receipt of Government ~~and~~ sanction.

15) Necessary provision for staff and establishment etc., for the College and the School will be included in the next budget on the basis of the scale now proposed.

16) I am to request that you will be so good as to obtain kind sanction of Government at an early date to

(1) the scale of staff and establishment including new posts and conversion of pay and personnel respecting staff as detailed in the enclosed statement on a permanent basis;

(2) the appointment of Dr.C.Srikantia as Professor of Organic and Bio-Chemistry on a starting pay of Rs 400 per mensem in the grade Rs 400-30-700 in the Medical College,Mysore,temporarily for two years from 1st July 1930 and his transfer to that College;

(3) the payment of allowances, pay etc., to the members of the staff concerned in the College and the School according to the scale proposed; and

(4) the necessary transfer of the officers of the Medical Department proposed to be appointed for work in the College at Mysore; and

(5) the requisite transfer of the University staff and establishment and other arrangements necessary regarding equipment,furniture etc., as per this office letter of the 11th November 1929 to complete the bifurcation and transfer of the College to Mysore the 1st July 1930, being ordered by the University.

REGISTRAR.

UNIVERSITY OF MYSORE.

Letter dated 3rd November 1929, from the Principal, Medical College, Bangalore, to the Senior Surgeon in Mysore, Bangalore,

=====

Herewith I am sending for favour of your information a copy of list of proposed staff for the New College and School after bifurcation, which I am submitting to the University for consideration. The list contains all the names that you were pleased to suggest or agreed to at our meeting in Mysore plus those of teachers of Mental Diseases and Otorhino Laryngology - which had escaped our memory at the time plus a name for Physiology which had been left open.

In connection with this list I should like to bring the following to your kind notice:-

1. Except in the six subjects of Anatomy, Physiology, Pathology, Hygiene, MateriaMadica and Medicine the rest of the teachers of the school (13 in number) continue to be the same.

2. For the three subjects of Anatomy, Physiology and Pathology the suggested names ~~wfx~~ are S.N.Prasad, M.S.Mehkri, and P.Krishna Rao. All these people are in England and are expected to be back between August 1930, ~~and October 1930,~~ when their services will be available. I believe the services of S.N.Prasad and P.Krishna Rao will be given to the Victoria Hospital and that of M.S.Mehkri to the Minto Hospital. If so, in my opinion, no better names can be suggested for the three subjects as all of them will have the prestige of English qualifications and special studies. Both S.N.Prasad and M.S.Mehkri though studying Otorhino-laryngology and Ophthalmology respectively, have to study Embryology, Anatomy and Physiology to a considerable extent and in great detail of the concerned special organs. Further M.S.Mehkri is a first class B.Sc. in Zoology and has proved an aptitude for scientific research both being favourable points for assigning Physiology to him. If P.Krishna Rao is to be posted to the Victoria Hospital as Pathologist, he must necessarily be the teacher in Pathology.

3. For the three remaining subjects of Hygiene, Medicine and Materia Medica - J.A.Iswaramurthy, B.Nanjappa and ~~D.M.O.~~ Superintendent, Medical Stores are suggested. J.A.Iswaramurthy is a well qualified senior Public Health Officer and is an efficient teacher and was teaching this subject previously for some years. His name is suggested under the idea that the services of Dr.Mascarenhas will not be available next year. B.Nanjappa is a Senior experienced officer and was a good teacher of the subject of Medicine before. For Materia Medica, if the ~~D.M.O.~~ Superintendent, Medical Stores is not considered the most suitable, some other name might kindly be suggested by you.

4. Considering the fact that the staff of the old Medical School compared very favourably with the staff of any Medical School in India - I have endeavoured in this list - to put in names with high and often acknowledge European qualifications, are ~~senior men with consi-~~ and in the absence of such, with names whose possessers are senior men with considerable valuable clinical experience.

5. An attempt have also been made not to confine the teacherships to the staff of the Victoria Hospital but to utilise the best talent in every institution. While securing the active co-operation of every institution this will prevent the undesirable competition, of young, energetic Medical Officers to get into one institution, whose posts in the absence of such distribution - would get an artificial premium in value.

For the work of the School in Anatomy, Physiology and Pathology, first two or three months of the year 1930-31 till the return of the incumbents I propose to give Pathology to the acting Pathologist of the Victoria Hospital, Anatomy to one of the Assistant Surgeons of the Victoria Hospital while teaching Physiolgy myself.

I shall thank you for any further suggestions in the matter.

UNIVERSITY OF MYSORE.

Letter No.C.1097,dated 9th November 1929, from the Senior Surgeon in Mysore.Bangalore, to the Registrar,Mysore University, Mysore.

====

With reference to your letter No.3,dated the 26th October 1929, I have the honour to state that the subject of staffing the Medical College and School was thoroughly discussed by Dr.B.K.Narayana Rao and myself and enclosed I forward a copy of his letter which incorporates our views. I have a slightly different proposal to make only in regard to two items. For the lectureship in Pharmacology and Materia Medica in the Medical School one of the senior officers in the Victoria Hispital may be appointed instead of the Superintendent,Medical Stores. The latter officer has heavy duties which will not permit him to take up the work. For Medical Jurisprudence in the College I would propose Mr.B.Jayaram in place of the District Medical Officer. An officer who has to be constantly on the move particularly during outbreaks of epidemics in the District - can hardly be expected to be able to carry out a continuous time-table of lectures in the College.

With these modifications, the proposals contained in Dr.NarayanaRao's letter may be approved.

Proceedings of the Govt. of H.H.
the Maharaja of Mysore.

Read -

Government Order No.D.8551-5/Uni. 174-29-3 dated 30th January 1930 sanctioning the shifting of the Medical College from Bangalore to Mysore from the beginning of the next academical year.

Leg E

2. Letter No.16562 dated 17th January 1930 from the Registrar, Mysore University, forwarding for sanction of Government the resolutions of the University Council regarding the staff and establishment required for the Medical College and the Medical School.

3. Further letter No.17221 dated 21st January 1930 from the same officer on the above subject.

Order No.D. 13618-20 Jmm

Dated. Bangalore, 11th ~~May~~ June 1930.

In the G.C. read above Government have ~~already~~ approved of the shifting of the Medical College from Bangalore to Mysore with effect from the commencement of the next academical year and provided necessary funds therefor. When effect is given to this order, the Medical School will remain in Bangalore as an independent institution and ~~will be in~~ need of separate staff and establishment The proposals submitted by the Universit

both the College & the school could therefore be in

in this behalf have been examined by Govt., and they are pleased to lay down the following orders: -

I. In respect of the Medical College.

(1) The designation of "Professor" should be given only to those who teach the more important subjects like Medicine, surgery, Anatomy, ~~Obstetrics & Gynaecology~~, Pathology and the lik ~~Midwifery~~ in the Medical College and persons teaching other subjects may be called "Lecturers"

(2) Where any Professor is in receipt of an allowance, such allowance should not ordinarily exceed Rs.100 per mensem. But the marginally noted Professors who are already in receipt of consolidated allowances as shown against them ~~in the margin~~ will continue to draw the same rate of allowance.

Dr. T. Seshachalam	Rs.150.
Dr. B.J.Sambashivan	150.
Dr. J. Krishnaswamy Rao	150.
Dr. A.M .Ponnambalam	150
Dr. A.Subba Rao.	75

(3) The allowances of Assistant Professor of the Intermediate College, Mysore, doing duty in the Medical College, will be fixed at Rs.50 per mensem.

Government have already approved of the transfer of officers proposed by the University and orders have issued in Notification No.G.13261/Med. 22-29-36 dated 12th May 1930.

(3) The proposal of the University regarding the appointment of Dr. Srikantiah as Professor of Bio-Chemistry is reserved for consideration separately.

II. In respect of the Medical School.

(1) Dr. B. K. Narayana Rao will be the

Principal of the Medical School at Bangalore and will receive an allowance of Rs.75/- per mensem.

(2) The allowances of the officers taking part in the teaching work of the Medical School will be Rs.75/- in the case of Surgeons and Rs.50/- in the case of Assistant Surgeons.

The scale of staff, establishment and allowances as sanctioned in the order for the Medical College and the Medical School are shown in the statement appended. In the case of an officers who is in receipt of more than one allowance, the maximum admissible to him shall not exceed Rs.150/- in the case of the Medical College and Rs.100/- in the case of the Medical School.

The extra cost on account of the additional staff sanctioned herein which comes approximately to Rs.16,000/- will be met from the provision to be made in the next year's University Budget.

The Registrar, Mysore University, is requested to take action in consultation with the Senior Surgeon in regard to the Officers to be appointed to 5 places, the personnel of which has not yet been fixed and submit proposals for the orders of Government.

Government Order No.S.3551-A.U.I. 174-B-1 dated 24th March
January 1941 sanctioning the shifting of the Land Revenue Office to Mysore from the beginning of the new financial year.

2. Letter No.16562 dated 17th January 19 from the Registrar, Mysore University, for grant for publication of the results of the University Council regarding the Government required for the Medical College to the Medical

3. Further letter No.7161 dated 16th January from the Director of Medical Education in the above connection.

Order No.13519-2, U.I. 174-41

Mysore, dated the 1941.

In this Government Order we have given a brief history of the Medical College from its inception in 1924 to the present day. It will be seen from the Order that the Medical College is now a full-fledged institution and both the College and the Hospital are in need of additional accommodation. The Government have therefore decided to shift the University to this building and to make the necessary additions to the Medical College and Hospital buildings. The Government have also decided to open a Medical School in Mysore City. The Government have also decided to open a Medical School in Mysore City. The Government have also decided to open a Medical School in Mysore City.

By Order of the Government of Mysore,

Secretary to Government.

---

(1) The Medical College was started in 1924 with a view to train students for the Medical Profession. It was started in a small building in the City of Mysore, and has since then been shifted to its present site.

persons teaching other subjects may be called "Lecturers".

(2) Where any professor is in receipt of an allowance, such allowance should not ordinarily exceed Rs.150/- per mensem. But the marginally noted professors who are already in receipt of consolidated allowances as shown against them will continue to draw the present rate of allowance.

Dr. P. Koshcholam	..	Rs.150.
Dr. S.S.Sambasivan	..	150.
Dr. V. Krishnaswami Rao	..	150.
Dr. A.A. Ponnambalam	..	150.
Dr. V. Subba Rao	..	75

(3) The allowance of assistant professors of the Intermediate College, Guntur, doing duty in the Medical College, will be fixed at Rs.50/- per mensem.

(4) The proposal of the University regarding the appointment of Dr. Srikantiah as Professor of Bio-Chemistry is reserved for separate consideration.

II. In respect of the Medical School.

(1) Mr. S. V. Narayana Rao will be the Principal of the Medical ~~College~~ School at Rajahmundry and will receive an allowance of Rs.75/- per mensem.

(2) The allowances of the officers taking part in the teaching work of the Medical School will be Rs.75/- in the case of Surgeons and Rs.50/- in the case of Assistant Surgeons.

In the case of officers who are in receipt of more than the allowance the maximum permissible to them will not exceed Rs.150/- in the case of Medical College and Rs.100/- in the case of Medical School.

The scale of staff, establishment and allowances as sanctioned in the order for the Medical College and the Medical School are shown in the statement appended.

The extra cost on account of the additional staff and batta which would particularly be incurred will be met from the provision to be made in the next year's University budget.

The Registrar, Agra University, is requested to take action in consultation with the Senior Surgeon in regard to the filling up of vacancies.

Yours faithfully,

for Secretary to Government

To

The Registrar, Agra University, Agra.

The Senior Surgeon in Agra.

The Accountant to Government through Imperial Audit.

Medical College

Lays down orders re the Staff and Establishment required for the School

S O.

Government of his Highness the Maharaja of Mysore.

GENERAL AND REVENUE DEPARTMENTS.

G. O. No. D. 13618-20—Uni 174-29, dated Camp Mysore, 11th June 1930.

Medical College

Lays down orders *re* the staff and establishment required for the —— and the Medical School.

READ—

Government Order No. D 8551-5—Uni 174-29-13, dated 30th January 1930, sanctioning the shifting of the Medical College from Bangalore to Mysore from the beginning of the next academical year.

2. Letter No 16562, dated 17th January 1930, from the Registrar, Mysore University, forwarding for sanction of Government the resolutions of the University Council regarding the staff and establishment required for the Medical College and the Medical School.

3. Further letter No. 17221, dated 21st January 1930, from the same officer on the above subject.

ORDER No. D. 13618-20—UNI. 174-29, DATED CAMP MYSORE, 11TH JUNE 1930.

In the Government Order read above, Government have approved of the shifting of the Medical College from Bangalore to Mysore with effect from the commencement of the next academical year and provided necessary funds therefor. When effect is given to this Order, the Medical School will remain in Bangalore as an independent institution and both the College and the School will therefore be in need of separate staff and establishment. The proposals submitted by the University in this behalf have been examined by Government. They have already approved of the transfer of officers proposed by the University in Notification No. G. 13261—Med. 22-29-36, dated 12th May 1930. They are pleased to lay down the following further orders:—

I. IN RESPECT OF THE MEDICAL COLLEGE

(1) The designation of "Professor" should be given only to those who teach the more important subjects like Medicine, Surgery, Anatomy, Pathology and the like in the Medical College and persons teaching other subjects may be called "Lecturers"

(2) Where any Professor is in receipt of an allowance, such allowance should not ordinarily exceed Rs 100 per mensem. But the marginally noted Professors who are already in receipt of consolidated allowances as shown against them will continue to draw the same rate of allowance

		Rs
Dr	T Sesbachalam	150
,,	B G Sambasivan	150
,,	C Krishnaswami Rao	150
,,	A M Ponnambalam	150
,,	A Subba Rao	75

(3) The allowances of Assistant Professors of the Intermediate College Mysore, doing duty in the Medical College, will be fixed at Rs. 50 per mensem

(4) The proposal of the University regarding the appointment of Dr Srikantiah as Professor of Bio-Chemistry is reserved for separate consideration.

II. IN RESPECT OF THE MEDICAL SCHOOL.

(1) Dr B. K. Narayana Rao will be the Principal of the Medical School at Bangalore and will receive an allowance of Rs. 75 per mensem.

(2) The allowances of the officers taking part in the teaching work of the Medical School will be Rs. 75 in the case of Surgeons and Rs. 50 in the case of Assistant Surgeons.

In the case of Officers who are in receipt of more than one allowance, the maximum admissible to them shall not exceed Rs. 150 in the case of Medical College and Rs. 100 in the case of Medical School.

No. D. 13618-20—Uni. 174-29, dated Camp Mysore, 11th June 1930.

The scale of staff, establishment and allowances as sanctioned in the order for the Medical College and the Medical School are shown in the statement appended.

The extra cost on account of the additional staff sanctioned herein which comes approximately to Rs. 16,000 will be met from the provision to be made in the next year's University Budget.

The Registrar, Mysore University, is requested to take action in consultation with the Senior Surgeon in regard to the filling up of vacancies.

R. RANGA RAO,
General Secretary to Government.

To—The Registrar, Mysore University Mysore
The Senior Surgeon in Mysore
The Comptroller to Government, through the Financial Secretariat.

MEMO OF EXPLANATION (COLLEGE)

*****

(1) Pharmacology:--The present professor is getting Rs.100/- for M.B. and Rs.50/- for L.M.P. i.e., Rs.150/- total. Other professors are getting Rs.150/- consolidated for both M.B. and L.M.P. The former arrangement came into vogue when 2 different people were teaching the M.B. and L.M.P.classes in Pharmacology. The present professor is doing both but receiving Rs.150/- as 2 allowances. If others are to be given Rs.150/- at Mysore - this technicality need not stand in his way - he may also be given Rs.150/-.

(2) Ophthalmology:-- should be a professorship and the proposed person is the Senior most of all these people. His allowance should not be less than Rs.100/- on the principle that all professorships carry Rs.100/- except what is personal to a few at present.

MEMO OF EXPLANATION (SCHOOL)

*****

(1) Better to have Principal's allowance separate from teaching allowance as fresh Government Orders will not be required everytime as some other teacher acts for him when he takes a few days privilege leave. This difficulty was felt before and so the consolidated allowance given to Dr. S.Subba Rao was broken into two (a teaching allowance plus principal's allowance). Amount of allowance may be fixed as you think proper.

(2) Allowance to Lecturers in Physics and Chemistry ought to be the same as for Biology which is already Rs.50/-. This same rate is provided in the new budget submitted by the University to Government.

(3) For Materia Medica - I propose suggesting Dr. T.Balakrishna Mudaliar. Formal letter will be sent to the Registrar.

(4) For the subjects of Pathology, Medicine, Surgery, Midwifery an Ophthalmology, the period of work and allowance is always 12 months. "9 months" in your note is an error.

(5) For Hygiene and Jurisprudence the period has always been 9 months.

(6) For Anatomy - As Prasad is yet to return from England - I shall propose B.R.Reddy to act.

(7) Mekhri is yet to return - proposal will be sent for acting arrangements.

(8) I shall propose B.R.Reddy permanently for one - to act temporarily as lecturer and separate proposal for the other place.

(9) Allowance to be fixed according to any General principle adopted.

(10) I shall propose Mr. S Rahamma Isaac and allowance to be fixed as in (9).

(11) This post which has always been present and is quite necessary was by oversight omitted to be mentioned. This has been included in the budget sent up. Name yet to be proposed.

(12) One Peon who is really a Daffedar is necessary and should have a distinctly higher pay - at least 14. This may be considered.

N.B:--In the case of the School, I understand, you propose to give Rs.75/- for Lecturers in charge of subjects if they are of the Surgeon's grade and Rs.50/- for similar lecturers of Assistant Surgeon's grade. In our proposed budget all lecturers being more responsible have been proposed to be given Rs.75/- irrespective of their medical Department status and all demonstrators (who are academically subordinates to the Lecturer in ~~that~~ their respective subjects) have been proposed Rs.50/-. Under your new proposal - it may happen that a senior man (of Surgeon's grade) who is a Demonstrator may draw Rs.75/- while lecturers in charge of other subjects may be drawing only Rs.50/-. This obvious anamoly may be obviated by one of two ways - (1) keeping the scale of original proposals of (2) keeping the differenciation of Rs.75 and 50 for lecturers and giving only Rs.50/- for all demonstrators irrespective of ~~this~~ their grade. The former of course appeals to me.

~~*Bangalore.*~~
Camp Mysore.

SIR,

With reference to Government Order No.D.1361820/Uni.174-29, dated camp, Mysore, 11th June 1930, passing orders regarding the staff for the Medical College to be shifted to Mysore, I am directed to forward herewith a copy of letter No.558, dated the 13th instant, from the Principal, Medical College, proposing certain changes in regard to the staff of the Anatomy Department of the College and to request that you will be so good as to obtain early sanction of Government to the appointment of Dr.R.Nagendran, B.Sc., M.B.B.S., now Demonstrator in the College as Lecturer in Anatomy on Rs.100 plus Rs.25 from the 1st July 1930 vice Dr.S.R.Gorur who may be permitted to revert to the Department.

A copy of this letter has also been forwarded to the Senior Surgeon with the Government.

I am to add that in anticipation of sanction of Government to the proposal, Dr.S.R.Gorur will be reverted to the Medical Department from the 1st July 1930 and Dr.R.Nagendran allowed to continued to work in the Medical College (at Mysore).

I have the honour to be,
Sir,
Your most obedient servant,

B. M. Srikantia

Registrar.

UNIVERSITY OF MYSORE.

Letter No.558, dated 13th June 1930, from the Principal, Medical College, Bangalore, to the Registrar, Mysore University, Mysore.

=====

I have the honour to bring to your kind notice that in connection with the staffing of the future Medical College and Medical School - while the present provision of assistants for Anatomy department is of 2 lecturers plus one Demonstrator(all whole time), the budget provision for future College is only 2 lecturers (whole-time) and the provision for School is two demonstrators(both part-time). This means that one of the present assistants in the Anatomy department has to be dispensed with by returning him to the Medical department on whose cadre these are all borne. The three men at present are:-

1. Dr.R.Nagendran,B.Sc.,M.B.B.S.,
   Demonstrator in Anatomy.

2. Dr.K.Krishna Rao, B.Sc., M.B.B.S.,
   Lecturer in Anatomy.

3. Dr.S.R.Gorur,M.B.B.S.,
   Lecturer in Anatomy.

The first who happens to be the most senior is keen on remaining in the College while the third has expressed a wish to be returned to the Department. The first two Messrs.R.Nagendran and K.Krishna Rao may be kept as lecturers at Mysore and Dr.S.R.Gorur may be returned to the Department from 1st July 1930. On receipt of orders he will be relieved.

The Senior Surgeon may also be addressed in the matter early.

17/6/30

Sir,

In reference to your letter containing Order No.D.13618-20/Uni.174-2(dated Camp Mysore,11th June 1930, I beg to point out that there would seer to be some error in regard to the designations of those conducting the courses in Midwifery and Ophthalmology. They are entered as Lecturerers at an allowance of Rs 75/- per month. These are major subjects and I consider that those giving these courses should be designated Professors with allowances accordingly.

In regard to the course of lectures on Vaccination,it will probably be eventually arranged that during the vacation students will be given courses in mental and dental diseases in Bangalore and as the Vaccine Institute is there,the course in Vaccination could also be given then ar there.

In the administration list,I note that there is no Stenotypist.One esential and could take the place of the clerk and typist listed. It is most desirable to have a Stenographer who can take down rapid dictation, notes of the proceedings of meetings etc and I trust this will be provi--ded without fail. In the number of peons (40) is there one provided as a personal peon for my use? If not 5 will be required instead of four.

I have the honour to be.,
Sir,
Your most obedient servant.

M.R.

Durbar Surgeon and Medical Officer.

Edn 174 29-30

University of Mysore.

No. 207
Enc. 2

Office of the Mysore University,
Bangalore,
Dated, ~~Mysore~~ 25th June 1930.

From

B M SRIKANTIA, Esq., M.A., B.L.,
Registrar, Mysore University,
Mysore

To

R.Ranga Rao, Esq., B.A., B.L.,
General Secretary to the Government of
His Highness the Maharaja of Mysore,
Bangalore

Sir,

With reference to Government Order No.D.13618-20/Uni.174-28, dated the 11th June 1930, passing orders relating to the staff and establishment for the Medical School at Bangalore, and calling for proposals for filling up certain posts on the teaching staff in the school from 1st July 1930, I am directed to forward herewith a copy of letter No.583, dated the 24th June 1930, from the Principal, Medical College, together with the statements containing his recommendations in the matter.

The proposals of the Principal have met with the approval of the Senior Surgeon and the Vice-Chancellor and I am to request that you will be so good as to obtain kind sanction of Government thereto.

As the classes have to begin work from 1st July 1930, this reference may kindly be treated as very urgent and sanction of Government communicated immediately.

~~The~~ I have the honour to be,
Sir,
Your most obedient servant

B M Srikantia

UNIVERSITY OF MYSORE.

Letter No.583, dated the 24th June 1930, from the Principal, Medical College, Bangalore, to the Registrar, Mysore University, Mysore

---

I have the honour to forward herewith copy of proposals already sent with this office letter No.557, dated the 13th instant, for filling up certain posts in the Medical School, Bangalore, from 1st July 1930.

They consist of:--

(1) Proposals for filling up some posts B (1,2 and 3) temporarily till return of permanently proposed persons from England.

(2) Proposals for filling up other posts either permanently or temporarily as indicated.

(3) A proposal for modification of Government Order in regard to Lecturership in Anatomy. Government Order (No.D.13618-20/Uni.174-29, dated 11th June 1930) is that Dr.B.R.Reddy be temporarily appointed to this post. Present proposal is that Dr.Monteiro be appointed temporarily as being a senior officer and experienced in teaching while Dr. B.R.Reddy be made Demonstrator permanently. These posts are all sanctioned by Government (vide G.O.No.D.13618--20/Uni.174-29, dated the 11th June 1930). All these proposals have the complete approval of the Senior Surgeon. I request that these may kindly be sanctioned very urgently as classes have to begin from 1st July 1930.

All the appointments are part-time and the allowances are either Rs.75/ or Rs.50/ according to the Medical Department status of the officer concerned as per G.O.No.D.13618-20/Uni.174-29, dated the 11th June 1930.

OFFICE OF THE MEDICAL OFFICER,
KRISHNARAJENDRA HOSPITAL, MYSORE.

Dated....5th..July....1930.....~~1928~~

Dear Mr. Ranga Rao.

At our meeting with Mr.Matthan the other day it was suggested that a Steno-typist be found through the Reporting Department.

If the selection has not been made, or a person not available , I could place a young man who has applied here and seems capable.

Kindly let me hear from you regarding this at your early convenience.

Yours sincerely,

J.H.Robinson

Durbar Surgeon and Medical Officer.
